YOUR CABINET SOLUTION FOR THE MULTIFAMILY MARKET

CONTRACTOR’S CHOICE

MasterBrand Cabinets, Inc.
COME HOME TO MASTERBRAND

MasterBrand Cabinets is the second largest cabinet manufacturer in North America, part of the $7.6 billion Fortune Brands company. Founded in 1954 as United Cabinet Company, today we manufacture and distribute over a dozen major cabinet brands nationwide – including Contractor’s Choice – through a network of over 20 plants and distribution centers. With over 9,000 associates we service the redevelopment and new construction segments with the highest quality products, delivered on time and complete, at fair prices.

MasterBrand Cabinets is part of the Kitchen Cabinet Manufacturers Association (KCMA) and the National Kitchen and Bath Association (NKBA). Contractor’s Choice cabinetry carries the ANSI/KCMA A161.1 quality assurance certification and meets the requirements set forth in section 12370 of the HUD GUIDE SPECIFICATIONS for PUBLIC AND INDIAN HOUSING (Sept. 1993) normal/eldery use.
QUALITY MADE AFFORDABLE.

For good-looking, long-lasting cabinets that easily fit within your budget, there’s only one choice. Contractor’s Choice cabinetry has it all — quality craftsmanship, appealing design and most importantly, affordability. Plus, every inch is backed by a 1-year warranty from MasterBrand, one of the most respected names and largest service networks in the cabinet industry. The choice is easy. Take a closer look at Contractor’s Choice today.

MasterBrand Cabinets’ sound environmental management and sustainable manufacturing practices have been approved by the Kitchen Cabinet Manufacturers Association to meet the requirements of the KCMA Environmental Stewardship Program ESP (Jan. 2006)

Contractor’s Choice cabinetry complies/will comply with Phase I and Phase II emissions standards of the California Air Resources (CARB) Airborne Toxic Control Measure (ATCM) - Title 17. California Code of Regulations Section 93120.

Contractor’s Choice cabinetry is also eligible for points as a KCMA ESP 01 qualifying product according to the NAHB Green Building Standard (ICC 700-2008) in section 901.10 Cabinets.

VALUE YOU CAN DEPEND ON.

Contractor’s Choice cabinets are built solid to hold up to the rigors of multi-family living. We know our handiwork will be put to the test. So we put more into them, from manufacture through final install. Rest assured, our cabinets—and guarantee—hold their own.
